

TELECOMMUNICATIONS NOTICE

ACCESS DEFICIT CHARGE (ADC)

The public is hereby informed that all Access Deficit Charges (ADCs) contained in all Interconnection Agreements with Cable & Wireless Dominica Ltd/LIME are terminated as of 1st April 2010.

The National Telecommunications Regulatory Commission will issue further instructions to all operators on a date to be determined, regarding subsequent amendments of existing tariff schedules, in order to ensure that they reflect that decision.

Craig Nesty
Executive Director
National Telecommunications Regulatory Commission
